Information summarized for CompStat week ending 7/20/2019.

\* Change for % Served is the difference in percents. Sourced from MNPD ARMS on 7/24/2019 8:08:29 AM. This report is not a count of arrest charges. 1 arrest = 1 body. Adult arrests only.

Arrests categorized by order of seriousness as follows: If an arrest citation is not issued, and any of the charges are felony charges, count the arrest as a felony arrest; if an arrest citation is not issued, and none of the charges are felony charges, count the arrest as a misdemeanor arrest; count all remaining arrests as a citation arrest. Shift / Detail totals are calculated based upon officer assignment for the date when the arrest was made (i.e. if the arresting officer's primary assignment is 'East CSU' for the date when the arrest was made, it will be counted as 1 'East CSU' arrest). Arrests made by officers working Mission 1 duties are counted toward their primary assignment.

Metro citations are not counted in this report, since they are issued for civil matters (i.e. violations of Davidson County Metropolitan Ordinances).

Arrest information retrieved from the MNPD RMS warrants / arrests database. 1 arrest = 1 body. Includes adult and juvenile arrests. Arrests served by warrants division are excluded. 'Nearby Business' refers to a business establishment in close proximity of the address listed, and is provided for informational purposes only. There is no guarantee that all calls were dispatched to the business listed, because in some cases, multiple business establishments have the same address (e.g. a discount store that also contains a pharmacy). Due to the unique nature of apartment-based reporting, individual unit numbers and the address of the main office for a complex may sometimes both appear in this report.
